Rowland Water District Community Forum:

WORKING IN WATER

October 20 and 21, 2021

4-6 p.m. on Zoom

Do you have a desire to protect the health and safety of your community?

Are you hoping for a career where you can learn and advance?

Want to be part of providing an essential, life-sustaining service?

Whether you are just entering the job market or looking for a different career in an exciting and promising field, these online webinars are for you!

Please join us for our second community forum about exploring water industry careers and hear from the professionals who help provide water to tens of thousands of people 24 hours a day, seven days a week.

You might be surprised by all the different types of jobs needed to deliver water to the **58,000 customers served** by Rowland Water District.

The District employs more than two dozen people who all play an important and vital role, from Customer Service representatives to Operations staff.

You will hear from different employees on each day of the forum.
