Health Reimbursement Arrangement

Free money? Yes, please!

HRAs require no payroll deductions and you don't need to contribute any money. Your organization will fund the entire account. Plus, all reimbursements for eligible medical expenses are tax-free too.

Bridge the gap on eligible healthcare expenses

Your organization sets your annual healthcare reimbursement limit and determines which expenses are eligible. Although it varies by plan design, common eligible expenses include deductibles, coinsurance and copays.

Please see your plan documents for a complete list of eligible expenses.
